SUBJECT: Hecla Mining Company - Request to
pull tailings underdrain.

REMARKS: Mack, I've included original letter
directing Hecla to continue monitoring the
underflow for minimum 2 yr. period. I'm
somewhat "baffled" why we didn't require
analytical sampling of drainage also?
Do you have any water quality records
on file of the impoundment discharge? We
may need to request any/all their records & a
final sample to be analyzed.
